

INDIVIDUAL ARTS PARTNERSHIP GRANTS 2014-2018

From 2014 through 2018, The Arts Partnership has awarded 77 grants totaling \$90,373 to support artists at any career stage, with the aim of helping them realize their artistic vision, improve their artistic skills and build sustainable careers. The Individual Arts Partnership Grants are funded by donations from individuals, with a portion of these grants funded by dollars from the Erin Koffler Memorial Fund and the Moorhead P.E.O. chapters. The Jade Presents Arts Partnership (JPAPs) Grants for musicians, established in 2015, are solely funded by Jade Presents.
