

**INDIVIDUAL ARTS PARTNERSHIP GRANTS
AND
JADE PRESENTS ARTS PARTNERSHIP GRANTS**

GRANT MANAGEMENT INFORMATION

Congratulations to the artists who have received Individual Arts Partnership (IAP) and Jade Presents Arts Partnership (JPAP) grants. Funding for the grants is provided by generous individuals, The Arts Partnership and Jade Presents (specifically for musicians).

Publicizing Grant Funding

All grantees are required to publicize their grant activities. This helps to insure continued financial support for grants to individuals.

Recipients must acknowledge, in a prominent manner, The Arts Partnership's and Jade Presents' (if applicable) support in any print materials, on your website and on social media regarding this award:

For IAP Grants: "This activity is funded in part by an Individual Arts Partnership Grant from The Arts Partnership."

For JPAP Grants: "This project has been funded in part by a Jade Presents Arts Partnership Grant, administered by The Arts Partnership."
